Gail –

Thanks so much for your quick review and input. I was in the process of editing the letter, myself, when we received your message, so I incorporated your language into my edits. I tweaked just a little to merge your input with mine. **Ex. 5 Deliberative Process (DP)** Please let James and me know if my tweaking inadvertently introduced any inaccuracies or inappropriate phrasings. He will be sending the letter out tomorrow.

Thanks –

-Kathy
